Subject: 6th Australasian Native Orchid Conference & Show 2010

Dear Society Secretary;

As you and your members may or may not be aware ANOS – Newcastle Group will be hosting the 6th Australasian Native Orchid Conference & Show in August 2010 (25th – 29th). Planning is well in advance with the venue Newcastle - Club Panthers already being secured for the event. The show schedule has been finalised and the list of guest speakers & vendors is almost finalised.

We the organising committee are now seeking the assistance from other societies, businesses or individuals to make the 2010 Conference & Show a success. In the current global crisis sponsorship for the event has been hard to obtain and fundraising will be ongoing issue for us.

Please find attached a list of the champion and displays sections to which the organising committee ANOS – Newcastle Group is seeking sponsorship so that a proportion of the costs for staging such an event can be covered. As can be seen from the list some sponsorship has already been obtained. If your society, business or an individual would like to sponsor a champion section or display section(s) or simply make a donation please complete the attached form and return with payment.

If you would like further information please do not hesitate to contact us either by phone, mail or email.

We the organising committee would like to take this opportunity to say thank you for your assistance for without it we feel sure the success of the conference & show cannot be guaranteed.

Thanking You

Peter Denning

Secretary

6th ANOS Conference & Show – Organising Committee
