NSW Distributor For Kiwi Orchid Bark

Top quality orchid bark

Kiwi Orchid Bark is a high quality *Pinus radiata* bark obtained from the renewable pine plantations of New Zealand. It is very clean, hard and long lasting, of uniform size and is dust and contaminant free. It is not treated in any way—it is raw bark.

We also have stock of RCRA high quality, graded charcoal especially for orchids. Hardwood charcoal made from *Acacia cambagei* (gidgee) trees from Western Queensland in the traditional way in a hole in the ground. The orchid char is the last in and first out and is of the very best quality. All timber used is from trees felled during clearing operations many years ago.
